

## **Membership Application Information**

### **Blue Skies Gallery welcomes artists to apply for membership.**

The jury committee judges potential members every month, January thru October. Call the gallery and ask to speak to Leslie to set up an appointment time to leave your work for a 24 hour period. This will allow the jury panel time to review your art. You may submit 3-5 pieces. Include your strongest work that will represent what you hope to display at Blue Skies. Include matting, framing when it applies, no saw tooth hangers. Completed paperwork must accompany your work. Submission in multiple media (other than mixed media) will constitute separate submissions; each must be juried on its own merits. After the 24 hour period, pick up your pieces and you will be notified by email or mail of the jury results.

### **Fee structure:**

We have several tiers of fee structures available to suit your needs. These will be explained by the jury panel. In addition to use on our website, your work may be included in any of our marketing venues.
